

Kingsbridge Kingfishers Swimming Club

ASA Registration

All swimmers must be registered with the Amateur Swimming Association (ASA) to swim within a club.

Members of the club must be registered with the ASA under one of the following categories:

Category 1 'Non' Competitive (excluding Club galas)

Category 2 Fully Competitive

Category 3 Officials/ Helpers/Coaches/Non swimming members

The appropriate fee is payable to the Club in September.

The Club requires that all Junior Members less than 18 years of age must have an associated Senior Member, normally a parent, carer or family member.

The committee has decided on the following:

- to pay the competitor registration fee on behalf of the swimmer if they have only been required to swim for the club in the Devon County relays, the Devon Inter-Club gala or the Arena League; have not qualified for the Devon County Championships and do not swim in any other events requiring them to register as a competitor.
